

Pension Benefit Payments For Members affected by the 2017 Hurricane Season

BERS would like to express our concern for all members who were affected by the recent hurricanes throughout the Caribbean region. We pray for your safe and speedy recovery during this challenging time.

EFT: If you receive your pension check by Electronic Funds Transfer, please be assured that this method of payment will continue without interruption.

PAPER CHECKS: For those members who receive a paper check for their monthly benefit, checks will be mailed on September 28, 2017.

IMPORTANT: If you have been displaced due to the hurricane and have difficulties receiving regular mail at this time, please contact BERS at [\(917\) 231-4217](tel:9172314217) (call or text) or email jait@bers.nyc.gov to make alternative arrangements to receive your check or one-time wire transfer. We understand that making a telephone call might be difficult for some members due to damage to the region's infrastructure. Please be assured that BERS will work with each member to ensure that they receive their pension checks in a timely fashion.
