

## DISCLAIMER

### **BERS-Guest Wireless Internet**

The BERS-Guest Wi-Fi (wireless) is an open unsecured internet connection provided to members and guests visiting BERS office. Users have no right to privacy while using BERS-Guest Wi-Fi connection. BERS monitors users' online activities for compliance with its user policies. Access to the BERS-Guest Wi-Fi connection is completely at the discretion of BERS and may be terminated at any time.

BERS makes no guarantees about the quality of the services provided and is not responsible for any claims, losses, damages, costs, or other obligations arising from use of the wireless network. BERS denies any responsibility for the accuracy or quality of the information obtained through user access.

Users may not engage in any of the activities prohibited by its user policies when accessing BERS-Guest Wi-Fi connection, including, but not limited to:

- Use of Voice over IP services such as WhatsApp, GoogleTalk, Viber, Skype to make phone or video calls;
- Use of video-on-demand services such Hulu, Netflix, Amazon Video;

**By clicking on the "Continue to the Internet" button you agreeing to comply with BERS Internet Acceptable Use and Safety Policy, Department of Education regulations policies and guidelines, and applicable law.**

**BERS Internet Acceptable Use and Safety Policy may be found on our website at [www.nycbers.org](http://www.nycbers.org).**
