

## **SOCIAL MEDIA ACCESSIBILITY STATEMENT**

NYCBERS will produce accessible social media content using the guide provided on the MOPD website: <https://www.nyc.gov/assets/mopd/downloads/pdf/Accessible-Social-Media-Guide-2019.pdf>.

Please let us know if you encounter accessibility issues on any of NYCBERS' social media platforms by contacting the Disability Service Facilitator at [brespon@bers.nyc.gov](mailto:brespon@bers.nyc.gov).

### **Conformance Status**

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA.

Our digital content is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to this accessibility standard.
