

APPENDIX E – PROGRAM PLAN

As required in **RFP Section 4.3**, in the space provided below (or in a separate Microsoft Word or PDF document clearly labeled as **Appendix E – Program Plan**), describe in detail your program and methods to accomplish the proposed services. Proposers must include information for subcontractor(s), if any, who will be working on the program within the Program Plan. Include a work plan indicating approximate dates and frequency of services. You may use as much space as necessary when crafting your proposal response, but please be concise. **Proposers must address each requirement as listed in Section 4.3. Proposers must provide a separate Program Plan for each service component they are proposing for.**
